Safe Care and Supervision Policy

The Waegwoltic Club believes in fostering individuality, self-worth and self-esteem for all who in our care. All of our campers will be treated respectfully, listened to, and encouraged to share their perspectives, life experiences, and values.

In the event that—through the course of daily interaction with our participants—we become privy to information that could reasonably be concluded as harmful or threatening behaviour towards the well-being of a child by a parent/legal guardian/caregiver, our staff is trained to recognize and report the situation to their supervisor and, as necessary, to the appropriate child protection agency. This is not just our duty, but our responsibility under the law.

A protocol is in place to address, document and report emergency situations (both life-threatening and non-life-threatening). All emergency situations, whether life-threatening or not, are immediately reported to a supervisor after the incident, and put into writing within an hour (examples: lost child; injury).

Vulnerable Sector (VS) police checks are conducted for any staff that comes in contact with children at The Waegwoltic Club.

The Waegwoltic Club policies regarding child safety follow the guiding principles outlined in "Quest 1" of **HIGH FIVE®**'s quality standard for children's sport and recreation. Founded by Parks & Recreation Ontario, **HIGH FIVE®** provides policy guidelines that ensure that your child's experience with sport and recreation will be safe, properly-supervised, and age-appropriate. It also ensures your child will have a positive experience and leave the program smiling.

For more information about **HIGH FIVE®**, visit www.highfive.org. For more information about our Safe Care and Supervision Policy, please contact Katelyn Matheson, our Programming Manager, at katelyn@waegwoltic.ca.
